Salary depends on qualifications and experience

Currently funded for 3 years

We are looking for someone with enthusiasm and experience to take the lead in helping the Church to build on our relationships with local families, to encourage them to explore Christianity and to help nurture their ongoing discipleship.

During recent years, we have invested increasingly in engaging with the families both in the church congregation and our local community, which, thanks to the work of our Mission Enabler, is starting to bear fruit.

So we need your gifts of building great relationships, strategic planning, faith sharing and discipling of others to help us build on what has been achieved and to lead the work in new directions.

If this sounds like you, or you would like to find out more please get in touch, we would love to talk to you.
